

The Certified Financial Planner^{CM}, or CFP^{CM}, is the most comprehensive and hence most widely respected professional certification in the financial planning industry. It is *recognised internationally* as the 'gold standard' in the financial planning and wealth management industries as the certification process singles out individuals who have proven technical competence and significant practical experience. As of March 2007, there are 104,976 CFP^{CM} professionals globally and this number is rapidly growing.

Get the Kaplan Financial's advantage

- Kaplan is one of the largest financial training providers in the USA and is a leading provider for the CFP^{CM} education program.
- Kaplan Financial holds the Singapore Quality Class (SQC) for Private Education Providers and continues to be the market leader in professional financial certifications such as the CFA and ACCA.
- Superior and proven study materials and systems.
- Experienced CFP^{CM} lecturers with vast industry exposure.
- Established on-line testing system.
- Dedicated training facility of almost 60,000 sq ft located conveniently in the centre of town.

"When I was considering a Course provider for CFP, I took into account 2 things: namely Course Materials and Tutors. Your Company offered what I was looking for in terms of good course materials which were simple to understand and very thorough. Some of the tutors were very good in delivery and I benefited. Basically, a student's success depends very much on the guidance and dedication from the tutor and in this regards, your Company has the advantage." – Sally Wong

CFP^{CM} Accelerated Programme – be certified within 8 months!

Under the CFP^{CM} Accelerated Programme (AP), students will be on the fast-track to be a fully-certified CFP^{CM} Professional within 8 months.

Each module is conducted in an intensive course over 2 full days. At the end of the course, Kaplan Financial will run an Online Test for students to practice and gauge their knowledge and level of understanding on the topics taught.

Students who are registered under the AP will enjoy a 15% reduction on FPAS exams fees. To enjoy these preferential rates, students will be required to sign up for all 6 modules courses and exams upon registration.

"I have benefited greatly from the CFP program as it broadened my knowledge in wealth management and enhanced my career opportunities. Your Company has top quality study materials coupled with passionate lecturers who are veterans in the financial industry. You definitely have my strong endorsement." – Peter Lam
