### NEO XIAN PENG (Top Finalist & 1st in Singapore, ACCA Paper 3.6)

I would like to thank all the lecturers and staff at FTC Kaplan for their great work in helping the students develop our potential and excel in our studies. I would like to express my appreciation to Saminathan and Rhys Johnson who were my lecturers for Paper 2.5, 3.3, 3.5, 3.6 and 3.7. They are great lecturers who are able to explain key concepts clearly and at the same time, their lecture materials were exam focused, which helped to equip me with important examination techniques. All in all, FTC Kaplan played an important role in helping me to graduate with the ACCA qualification.

### LOH EE LYNN, CHERYL (Top Finalist & 1st in Singapore, ACCA Paper 3.7)

I owe my good results to the lecturers at FTC Kaplan, particularly Mr Saminathan who had taught me for paper 2.4, 2.5, 3.3, 3.6 and 3.7. I always enjoyed his classes as he made learning fun by adding humour to his lectures. He is a very experienced lecturer who often shared with us examination tips and what examiners often expect in our examination answers. His course materials are very comprehensive with lots of different past year examination questions. He is also very thorough when going through these questions and explains them in a manner that is easy for us to understand. Besides the excellent and dedicated lecturers at FTC Kaplan, another reason why I chose to enroll with FTC Kaplan every semester was because of the well-facilitated classrooms and study rooms. A recent visit to the newly renovated FTC Kaplan impressed me further with a student lounge, library and a cafeteria. Indeed, FTC Kaplan is a place that looks after student's welfare and ensures students' academic achievements.

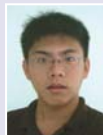

### SHIVANI HARALALKA (1st worldwide & Singapore, ACCA Paper 2.4 / 2nd in Singapore, ACCA Paper 2.3)

When I first started with ACCA studies, it seemed like a daunting prospect to get through all of the exams. Paper 2.4 was the most challenging for me but thanks to Mr Sami's able guidance I could comprehend difficult concepts in an easier way. I would also like to thank Ms Lim Siok Poh for my good performance in Paper 2.3 and Mr Edwin Ee for his wonderfully engaging lessons. The key to my success lies in conceptual understanding of the subject and effective time management in the exam. FTC Kaplan helped to bring me a step closer to my goal!

### CHAN CHIN HONG (1st in Singapore, ACCA Paper 2.2)

Studying ACCA in FTC Kaplan was my first experience in the subject of accounting and I have never regretted my choice. The administrative staffs, especially Patsy Lee, is helpful and patient with my enquiries and requests. The lecturers are articulate and clear at conveying difficult concepts of the topic. This is evident in Mr Kweh Soon Han's lectures where he uses simple and humorous examples to capture his students' interest and guide them through convoluted concepts of law. The lecturers also constantly impart invaluable exam techniques and practical life skills. The list goes on. I thank FTC Kaplan for providing extensive training and nurturing my interest in accounting.

### FARHANA BTE MOHD JAMIL (1st in Singapore, ACCA Paper 3.3)
